

Little Cypress-Mauriceville Education Foundation, Inc.

2011 - 2012 Grants – To – Educators Application

“Investing in tomorrow through the youth of today”

The Little Cypress-Mauriceville Education Foundation “Grants-to-Educators” Program provides educators the opportunity to develop innovative, instructional projects to expand and/or enhance learning opportunities for the youth of the Little Cypress-Mauriceville CISD. The grants are available to fund projects that enrich student learning in all program areas. The purpose of the grants is to provide monies for projects not funded from other sources. The Little Cypress-Mauriceville Education Foundation Awards Committee will select grant recipients. The Committee’s goal is to select grant projects that are consistent with the Foundation’s desire to promote quality education for the students of LCM CISD.

Date: _____ Campus: _____

Position: _____

Name of Applicant: _____

School Phone: _____

Project Title: _____

Total Dollar Amount of Grant Budget Request: _____

(Amount should include shipping and handling costs.)

New instructions for submission of grants: All grants must be submitted electronically. Proposals that include technology, software, or any kind of peripheral must be submitted to Suzanne Miller in Technology. Her e-address is smiller@lcmcisd.org. All other grants should go to Sherry Combs via e-mail to scombs@lcmcisd.org. Equipment and materials provided through these grants will stay with the LCM District if the teacher leaves for any reason. Curriculum Directors will decide if grant materials should move with the teacher if he or she transfers to a different campus.

**Deadline: Wednesday, November 30, at 12 noon
(Applications will not be accepted after this time)**

APPLICATION GUIDELINES

- ❖ Applications must be submitted electronically.
- ❖ All information should be confined to this application with only the project ordering information, including company, prices, and completed order form(s) attached.
- ❖ Please submit only one application per project.
- ❖ Please make sure that your name and your school's name appear only on the cover page of this application. It is hard to remain anonymous if your name is found throughout the application.

*Please type your responses to the following directly beneath each statement or question. Remember to save this to your computer **BEFORE** attaching it to an e-mail to submit.*

1. Briefly describe the project.
2. How will the curriculum and TEKS be addressed by this project?
3. What grade levels will be involved in this project and approximately how many students will be affected, directly or indirectly, by the project?
4. Provide a proposed time line for implementation of the project.
5. What materials are needed to implement the project?
6. How will you measure the effectiveness of the project and whether or not your objectives have been achieved?

Attach completed order forms or detailed lists of suppliers and material costs.
